Secondary 3-5 Alternative

Ontario eSecondary School supports Secondary 3-5 students in Quebec who, for various reasons, are looking for alternatives to education in their home province.

OES is accredited by the ministry of education in Ontario meaning all other high schools, universities and colleges accept the credits earned.

Accredited, flexible, 100% online!

OES may be a good fit for you if...

You want to complete your studies online

You want to transition from home school to private school

You want to get to university faster

You are a student athlete

You have difficulties with French

You are looking for a different path to complete high school

You want to attend university outside of Quebec

Your family is travelling outside of Canada

Fast, Flexible & Fully Online

Our Grade 9-12 accredited courses are offered at a pace that works for you and can be completed from anywhere in the world.

You establish the load (part-time or full-time), dictate the tempo and complete your studies from wherever you are – whether it's in Quebec, Ontario or abroad.

Make school fit your schedule — not the other way around!

One course can be completed in as little as 4 weeks!

How does it work?

Supportive and friendly staff to help you every step of the way! Transfer your credits or start high school online, complete the requirements and obtain your Grade 12 diploma.

Step 1

Credit Equivalency Assessment

Where applicable, previously completed high school credits can be transferred into the Ontario system through PLAR.

Step 2

Enroll

Meet with our Academic Advising team to select your remaining classes to meet the OSSD requirements and plan ahead with our university/college counsellors.

Step 3

Complete Requirements

Choose your own pathways to complete the remaining requirements, complete them and receive your OSSD!

Guidance and Support to ensure success!

OES students receive guidance and support from the point of enrollment, throughout their classes and until graduation.

Teachers

Students have access to qualified Ontario Certified Teachers who lead each course.

24/7 Tutors

Courses include access to 24/7 unlimited, on-demand, online tutoring included in the course fee. One-on-one live help for any subject, anytime and anywhere.

Guidance Team

Students have Academic Advisors to support their journey and ensure all OSSD/future program admissions requirements are met. Guidance is also provided for social-emotional support, study skills, etc.

OES supports with learning projects for the DEM (Direction de l'enseignement à la maison)

OES works with certified teachers and consultants from Quebec to support home schoolers meet provincial (Quebec specific) requirements.

The content from our accredited courses can be integrated into the learning project and experienced staff members will provide guidance and evaluations. Full-time students will have access to a free evaluation of their portfolio while part-time students are provided with resources and support.
